

Systems of Equations Stations Review

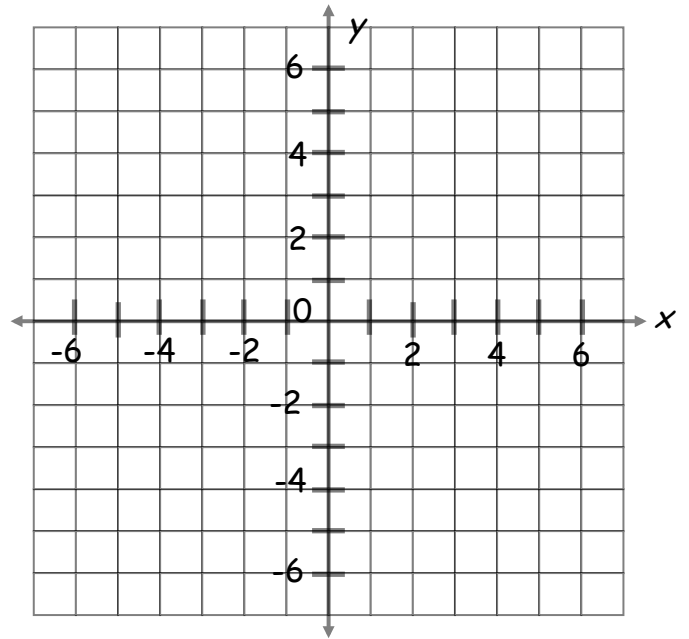

Name: _____ Class: _____

Directions: Start by clicking on the first page of the systems stations on the math website (starting link will be found under Unit 5).

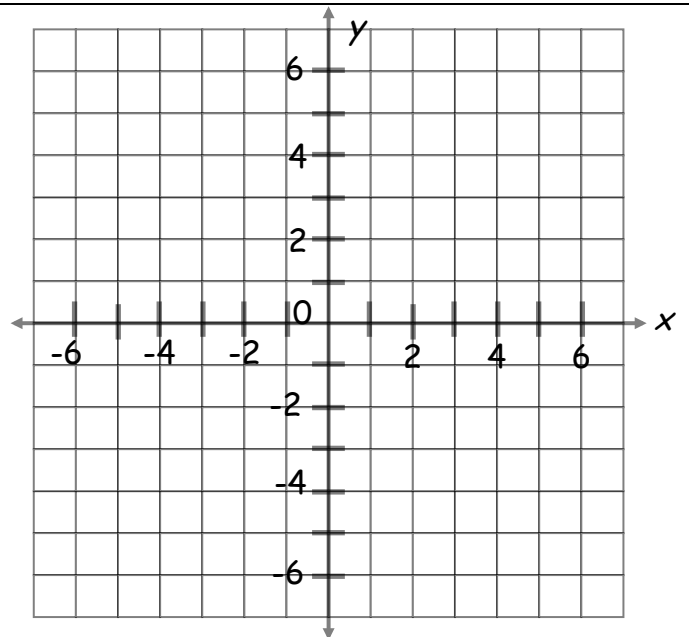

Station #1 - Solving Systems Graphically

Solve the following systems of equations graphically.

1.)

2.)

Link for station #2:

Station #2 - Solving Systems by Substitution

Solve the following system of equations by substitution.

1.)

2.)

Link for station #3:

<http://sprysystems.weebly.com/>_____

Station #3 - Solving Systems by Elimination

Solve the following system of equations by elimination.

1.)

2.)

Link for station #4:

<http://sprysystems.weebly.com/>_____

Station #4 - Applications of Systems of Equations

Solve the following word problems.

1.)

2.)

Link for station #5:

<http://sprysystems.weebly.com/>_____

Station #5 - Miscellaneous

Solve the following problems.

1.)

2.)
